APPROACH

A practical activity was chosen for this lesson as it is an interactive way for cadets to learn about the facilities of their cadet corps in a safe and controlled environment.

INTRODUCTION

REVIEW

The pertinent review for this lesson will include:

- officer ranks (TP2 of EO M107.02 [Section 2]); and
- regulations for paying compliments inside a building (TP3 of EO M107.03 [Section 3]).

OBJECTIVES

By the end of this lesson the cadet shall be expected to:

- identify the location of:
 - the parade square;
 - classrooms;
 - break areas;
 - canteen;
 - washrooms;
 - communication areas;
 - Commanding Officer's (CO's) office;
 - administration office;
 - training office;
 - supply office; and
 - out of bounds areas; and
- observe appropriate protocols associated with each location.

IMPORTANCE

Being familiar with the location of all the corps facilities can aid the cadets in following instructions, finding information and participating in corps activities.

Teaching Point 1**Participate in a tour of the cadet corps.**

Time: 30 min

Method: Practical Activity

BACKGROUND KNOWLEDGE

This information is representative only. Information presented must be tailored to be specific to the corps. Individual corps may have information that will vary from the information given in this guide.

PARADE SQUARE

The parade square is where cadets have parades. It is where inspections and drill classes usually take place and where the corps holds parades and other ceremonial events. Appropriate corps protocols should be followed regarding the parade square.

CLASSROOMS

Classrooms are the areas where cadets participate in most of their training. The classroom space must be respected, especially in facilities that are shared with other groups. Anything that does not belong to the corps should be left alone. Protocol for entering and leaving the classroom should be followed.

BREAK AREAS

Break areas are where the cadets should be when not tasked. The corps guidelines for the use of the area should be discussed.

CANTEEN

The canteen is a store for snacks and other items. The money raised through the canteen may be used to benefit the corps. Hours of operation, personnel responsible and how the money is used should be discussed.

WASHROOMS

The location of the facilities should be pointed out.

COMMUNICATIONS AREAS

Communications areas could include bulletin boards, activity sign-up sheets, and the location of the standing orders and routine orders. The standing orders contain corps policies. The routine orders contain information on duties, events, activities and personnel changes. Authorization to post information should be discussed.

COMMANDING OFFICER'S OFFICE

If the CO is available, they should introduce themselves and state briefly what they do. If the CO is not available, the tour guide will provide this information. The CO is at the top of the chain of command within the corps. The CO is responsible for the training and administration of the cadets, civilian instructors and officers working with the corps. Cadets will normally only visit the CO's office at the CO's request, or if directed by another officer. Protocol for entering and leaving an office should be reviewed.

ADMINISTRATION OFFICE

If the administration staff is available, they should introduce themselves and state very briefly what they do. If they are not available, the tour guide will provide this information. The Administration Officer (Admin O) is responsible for handling the administrative duties. They are responsible for ensuring forms such as cadet enrolments and summer training applications are completed in full and returned in a timely fashion. They could also be responsible for ensuring attendance is taken for all corps activities. Other administrative staff may include assistant administration officers. Cadets may need to go to the administration office to complete paperwork, report absences or to pick up forms. Protocol for entering and leaving an office should be reviewed.

TRAINING OFFICE

If the training staff is available, they should introduce themselves and state very briefly what they do. If they are not available, the tour guide will provide this information. The Training Officer (Trg O) is responsible for the coordination and implementation of the corps training program. They are responsible to ensure that training is planned in a logical fashion, instructors are prepared for classes and training materials are readily available for classes. They are also responsible for any administrative forms that are directly related to training, such as training records. Other training staff could include an assistant Trg O, standards officer and level Trg Os. Cadets will normally only visit the training office if the training officer has requested them, or they have been directed by another staff member or cadet NCO. Protocol for entering and leaving an office should be reviewed if applicable.

SUPPLY OFFICE

If the supply staff is available, they should introduce themselves and state very briefly what they do. If they are not available, the tour guide will provide this information. The Supply Officer (Sup O) is responsible for ordering uniform parts, issuing uniforms parts as necessary and distributing other equipment. They are responsible for all administrative forms that are directly related to supply. Other supply staff could include assistant Sup Os. Cadets will normally visit the supply office to receive their uniform and to exchange items that no longer fit or have become damaged. Appointments may be necessary. If the supply section has specific hours when it is open to cadets, these hours should be stated. Protocol for entering and leaving an office should be reviewed, if applicable.

OUT OF BOUNDS AREAS

Any areas that are out of bounds to cadets should be pointed out. The consequences for violating this policy should be explained.

ACTIVITY

Time: 20 min

OBJECTIVE

This activity is designed to familiarize the cadet with the facilities and staff of their corps.

RESOURCES

- Corps maps with numbered points of interest, if available (an example map is provided in Annex A).
- Corps passports.
- Stickers.

ACTIVITY LAYOUT

1. Divide the cadets into groups of four and assign each group a tour guide. Each cadet will receive a passport, found in Annex B, to be completed during the tour.

Group size may be adjusted based on the number of available tour guides and the number of cadets in the class.

2. Give each group a map and assign a starting point of interest. Starting points should be separated by one point if possible, to avoid more than one group at any one point during the tour.
3. Each group shall progress through the tour by visiting the points of interest. Tour guides will present the appropriate information at each point. Only one to two minutes should be necessary at each stop.
4. Each cadet shall answer the questions for each point of interest on their corps passports. The tour guide will check the answers at each point and award stickers to complete the passport.

SAFETY

Nil.

INSTRUCTOR GUIDELINES

- Brief the tour guides on activity layout and their role.
- Circulate throughout the corps facilities to watch for bottlenecks and move groups along as necessary.
- Answer questions.
- Ensure protocols are being observed.

REFLECTION

Time: 5 min

Method: Group Discussion

GROUP DISCUSSION

Instructors shall ensure that all lesson objectives are drawn out towards the end of the reflection stage.

DISCUSSION QUESTIONS

TIPS FOR ANSWERING/FACILITATING DISCUSSION

- Ask questions that help facilitate discussion; in other words, avoid questions with yes or no answers.
- Prepare questions ahead of time.
- Be flexible (you are not bound to only the prepared questions).
- Encourage cadets to participate by using praise such as “great idea” or “excellent response, can anyone add to that?”.
- Try to involve everyone by directing questions to non-participants.

SUGGESTED QUESTIONS

Q1. Why is it important to know where all of the corps facilities are located?

Q2. How do you feel now that you know where everything is located?

Q3. What other information about the corps facilities would help you feel more comfortable at cadets?
